Hello there!

I'm Ankur Pandey, 20yrs old, Web Developer, born and raised in Uttar Pradesh.

Together with @ankit pandey. I founded apro-services back in 2019, and I've been full time involved in the Web Development ecosystem since then.

I'm a Hard-working web developer with a flair for creating elegant solutions in the least amount of time. Developed an ecommerce webapp, customer web portal, documentary launch website, and donations webapp for a local charity. Passionate about software architecture and cloud computing. Regular attendee of web developer meetups and hackathons.

Prolific, full stack web developer with a passion for metrics and beating former "best-yets." Prototyped 25 new product features per year for apro-services, Inc. Decreased rework by 22% and costs by 15%. Consistently receive high user experience scores for all web development projects, including a 55% increase for apo-services, Inc. Passionate about building world class web applications.

I'm passionate about startups and creating things on the internet. I also love food and travelling , if you are curious you can take a look to my Instagram account here @pandeyankur1324, where I post pictures of all my trips
